

# MINI DROPPER

# WHAT'S NEW

Searching for something unique?  
Here is our all-new multipurpose 10ml mini dropper.

## HOW TO USE

1. Turn the bottle upside down.
2. Press down on a bulb at the bottom.
3. Repeat the press as much as needed.

## FILLING INSTRUCTION

**1** The item is to be delivered unassembled in two parts CAP+BODY and BASE.

**2** Fill the formula through hole at the bottom.

**3** When the filling is complete, snap-on the BASE to the BODY.
